Reading text

You there, Beatriz? Hang on, Andrew.
OK. What's up?

It's Caroline's birthday tomorrow. Oh yeah, that's right!

You thought about what to get her? You mean a present? Weren't you buying one from both of us?

I'm sorry! It totally slipped my mind! 🙄

And I'm working 'til late. So ...

Could you pick up a gift today? I guess. What sort of thing were you thinking of?

Dunno. Got any ideas? One sec. Phone.
OK, I'm back.

Just had an idea for a gift. Go on.

New headphones? Nah. Jeremy said he was getting her headphones.

OK. What then? Have you seen those gift certificates for a spa? Maybe one of those?

She'd love that! I'll pick it up today then.

Thanks a million. Appreciate it. No worries. See you tomorrow then?

Yep. What time was it again? 4?

4.30. I can pick you up at your house if you like. 👍👍👍

CU then.
